Leave the Midwest in the dust as we head towards bigger things, stopping for the night in Amarillo.

2 // Ignacio, CO Take a visit to the high-rising **International Balloon Museum** in Albuquerque, NM on our way to the evening's destination. Drive through the Rockies before arriving at **Sky Ute Casino Resort** in time for **dinner** and an evening of gaming on your own.

3 // Chinle, AZ All aboard! Depart on an unforgettable journey deep into **Cascade Canyon** aboard the world-famous **Durango and Silverton Narrow Gauge Railroad.** Relive the sights and sounds of yesteryear on board a historic, coal-fired, steam-powered train with iconic canyon views and witness the unspoiled wilderness of the San Juan Mountain Forest. Enjoy **lunch** as we ride along.

4 // Flagstaff, AZ Experience a beautiful **Canyon de Chelly jeep tour** this morning as our **local Navajo guide** and storyteller takes us on an interpretive journey through the history and legends of this breathtaking natural wonder. We'll be in awe of the incredible natural formations, fantastic views, as well as expert rock art interpretation on a Navajo Indian reservation.

5 // Flagstaff, AZ Today we will take an expansive **tour of Sedona** and see iconic sites like Bell Rock, Chapel of The Holy Cross, the Red Rock Scenic Byway, and so much more. Enjoy some free time this evening!

6 // Page, AZ Nothing compares to the majestic **Grand Canyon National Park!** Our adventure starts with an **IMAX Grand Canyon** presentation at the National Geographic Visitor Center. Take in the awe-inspiring views of the 'Big Ditch' while you admire the layers and formations of the canyon. The **South Rim** has some of the most iconic scenic views and vistas, and today we will stand in front of the grandeur ourselves. **Lunch** is included today.

7 // Bryce Canyon, UT Walk amid towering cliffs and massive canyons today in **Zion National Park.** Encompassing some of the most scenic canyon country in the United States, these 229 square miles contain high plateaus and a maze of narrow, deep sandstone canyons. A **tram ride** along the **Zion Canyon Scenic Drive** will highlight areas including Emerald Pools, West Rim Trail, the Riverside Walk and the Narrows. The magnificent vivid reds and dreamy pinks of the sandstone castles colorfully crown the desert landscape before us.

8 // Green River, UT The iconic crimson-colored, spire shaped rock formations await us at **Bryce Canyon National Park.** Take in the breathtaking views as we weave along the canyon ridge of this "forest of stone" gaining 2,000 feet of elevation. This red rock wonderland, created by wind, water and snow, truly showcases southern Utah's stunning geology. **Dinner** is included tonight.

9 // Glenwood Springs, CO The forces of nature have acted in concert to create the landscape of **Arches National Park**, which contains the greatest density of natural arches in the world. Located in a "high desert," this park is home to over 2,000 naturally formed sandstone arches and other unusual formations including the famous **Delicate Arch**. Throughout the park, rock layers reveal millions of years of deposition, erosion and other geologic events that are still changing today! Travel east this evening, as we begin our journey home.
