1 // Branson, MO Journey to the Ozarks, where you'll be surrounded by spring colors. Tonight, enjoy a **BBQ group dinner** before taking in the mesmerizing story of **Esther at the Sight & Sound Theatre**. A classic tale of beauty and bravery, one of the most riveting Bible stories of the Old Testament comes to life with magnificent sets, special effects, and live animals in this original stage production.

2 // Branson, MO Visit the enchanting **Butterfly Palace** and watch the delicate butterflies flutter around you. This afternoon we will venture out to the **Dogwood Canyon Nature Park** for a **tram**

ride through the grounds. The dogwood and redbud trees create a colorful spring spectacle! Our show tonight is the acapella group **"SIX"** where six brothers take to the stage to create 'an orchestra of human voices' to the tune of songs from an array of musical genres.

3 // Home On the way home we are going through the town of **Neosho, MO**, known for their plethora of dogwood trees. **The Neosho Fish Hatchery** is the oldest continuously operational federal fish hatchery still in operation. After our **guided tour** we head home to enjoy spring in our own backyards.
