

# PANAMA CANAL COACH & CRUISE

This 12-day tour & cruise sails round-trip from Galveston, TX with premium motorcoach rides to and from. Escape with us on an adventure to the Panama Canal, one of the world's greatest engineering marvels. Explore new cultures or relax on the beach at the four diverse ports we'll visit along the way.

**1 // Houston, TX** We'll head off on the first leg of our journey towards an overnight hotel stay near Houston.

**2 // Galveston, TX** The adventure begins as we set sail on an incredible **10 Nights aboard Carnival's cruise ship, Miracle.**

**3 // At Sea** There is no shortage of fun when you're at sea on a Carnival cruise. Indulge in the free food, entertainment, activities, "Dive-In Movies" and so much more. Or just kick back in a deck chair and relax! The choice is up to you.

**4 // Cozumel, Mexico** It may not be the biggest island in the sea, but it offers a huge variety of things to do, see, taste and explore.

**5 // At Sea** Explore the ship and enjoy all of the on-ship amenities or maybe catch a show this evening. There are so many choices for your next day at sea!

**6 // Limón, Costa Rica** Locals have been called the happiest people in the world. What's more is that Costa Rica is a top spot in the region for embarking on **eco-adventures.** From here you can soar above rainforests, feel the mist from tumbling waterfalls, and swim in clear Caribbean seas.

**7 // Colón, Panama** Welcome to the gateway to the Panama Canal, the engineering wonder linking the Atlantic and Pacific Oceans. **Important note: the cruise ship does not enter the Panama Canal, and passengers should purchase one of the optional shore excursion offered by Carnival Cruise Line if interested in visiting the locks.**

**8 // At Sea** Maybe today you'll get in a round of mini golf or a relaxing afternoon at the Spa. You could also catch a show at the free-to-attend onboard theater!

**9 // Mahogany Bay, Roatan** With silky-sand beaches and diamond-clear seas, the island of Roatan is one of the Caribbean's hidden gems. Built on a backbone of volcanic rock, the island is ringed by the world's second largest coral reef.

**10 & 11 // At Sea** Try your luck at the Casino or grab some delicious food from one of the on-board restaurants on our last two days at sea.

**12 // Home** Hop aboard our Village Motorcoach in Galveston, TX as our cruise concludes and begin the journey home with countless memories, and hopefully no sunburns.
