BRANSON CLASSICS

Christmas starts early in Branson! Combine three sensational shows, including the sweet tenor of Daniel O'Donnell and a tribute to icons at Legends in Concert for a fun-filled getaway to The Live Music Show Capital of the World!

1 // Branson, MO Our fun begins in Branson tonight. Experience the **Legends in Concert** with a few 'Musical Tribute Artists' representing some of the performers you know and love. The current lineup of performer impersonators (subject to change) includes Garth Brooks, Elvis, Dolly Parton, Alan Jackson, and the Blues Brothers - this is sure to be a great show!

2 // Branson, MO This morning we begin our day in the past at the **Titanic Museum**. A guided tour will make sure you don't miss any of the important details about the vessel, the people, and the iceberg that made history. **Lunch** this afternoon is on us before we head to see **Daniel O'Donnell** in concert. Known for his exceptional voice and boyish charm, this Irish tenor has packed theaters around the world for years and he is in Branson for just a few short weeks! Voted the 'Evening Show of the Year' at the 2022 Branson Show Awards, the **Grand Country Jubilee** will send your toes tapping and hands clapping tonight after we enjoy **dinner** at their fabulous buffet.

3 // Home We journey home today, but not before making a stop at **Dick's 5 & 10** to shop for a souvenir to bring back home. Collectibles, candy, games, and more are all available at this Branson shopping favorite. Settle in your seats for the journey home and enjoy the scenery of fall in the Ozarks.
