# BRANSON CHRISTMAS

This tour will have you swept up into the Christmas Spirit right away! Experience Branson the way it's meant to be experienced, with energetic shows, shopping, and iconic Missouri destinations all glistening with Christmas cheer.

**1 // Branson, MO** "Deck the halls with boughs of holly..." Branson excels at Christmas! The decorations, the lights, the food, the people, and the music are all on full display to delight all the senses. Tonight we begin our time in Branson with the **Hughes Brothers Christmas Show**. Voted one of the best Christmas shows that Branson offers, these brothers and their family and friends put on an amazing performance. Music, dance, and humor are all plentiful and Santa will even make an appearance!

**2 // Branson, MO** This morning is another Christmas performance. One of the largest Christmas productions in Branson, **Christmas Wonderland** features energetic dance routines, beautiful costuming, and mesmerizing scenery along with the amazing vocals of this talented cast. Now that you're in the Christmas mood, it's time for some Christmas shopping! Branson is full of unique shops to get Christmas gifts for your loved ones, but we won't tell if you pick up a couple things to gift to yourself as well. Tonight we have a group **dinner** before heading off to see the highlight of this trip - **Sight and Sound Theater's Miracle of Christmas**. This dazzling production will astound you with the massive stage, incredible actors, and powerful performance as they bring the biblical Christmas story to life.

**3 // Home** As we head out of town, we get a chance to browse for Christmas gifts one last time. **Dick's 5 & 10** has a large variety of collectibles, candy, games, and more at this Branson shopping favorite. On the way home you can relax in style or prepare for your own Christmas festivities by 'making a list and checking it twice...'
