1 // Stapleton, CO Our great Canadian adventure is underway! We head west to Colorado for our first overnight.

2 // Buffalo, WY We'll take a break from today's drive day to enjoy a **self-guided tour of the Cheyenne Depot Museum**. Learn about the founding of Cheyenne and its significance along the trans-continental railroad! Then grab some lunch on your own before we hit the road again.

3 // Helena, MT The Battle of Little Bighorn shaped our nation's western frontier. Today, explore the site of **Custer's Last Stand**, and see where two strong adversaries and their loyal followers battled to the end.

4 // Kalispell, MT Nestled half way between Yellowstone and Glacier National Parks sits the Gates of the Mountains. Board a **tour boat** and

experience the towering limestone cliffs and extraordinary scenery of the Missouri River. Pause for **lunch** in a scenic spot.

5 // Kalispell, MT **Glacier National Park** is so impressive that it spans two countries, carrying two different names. Experience stunning scenery on the park's famous **Red Bus Tour**. The roll-back top reveals unparalleled views of alpine meadows leading to rugged snow-capped peaks, crystal-clear lakes, and stunning mountain views.

6 // Calgary, AB Today, we'll make our way into Canada, arriving in time to see hooves fly and wagon wheels rumble at opening festivities of the Calgary Stampede Rodeo. After a western buffet-style **dinner** we'll take our seats for the thrilling **chuckwagon races**. The heart-pounding excitement of this 90-year tradition

continues with a rodeo showcase and fireworks finale.

7 // Canmore, AB Start the day with a morning visit to the **Heritage Park Historical Village**. Covering over 127 acres it is the perfect balance between Western Canada history, adventure, and fun. Then saddle up for some ground-shaking action this afternoon! **The Calgary Stampede Rodeo** features cowboys and cowgirls facing off in furious displays of skill and grit. Travel along the Canadian Rockies as we drive to Canmore, our home for the next two nights.

8 // Canmore, AB Wake up ready for a scenic drive to beautiful **Lake Louise**. The peaks of Mt. Rundle and Mt. Cascade, part of the Rocky Mountains, dominate the skyline. The vista of ice-capped peaks reflecting in the turquoise waters of Lake Louise has become symbolic of Canadian mountain scenery. Upon arriving at this alpine lake, we'll ascend during a **gondola**

ride to one of Banff's greatest views. From 6,850 feet, the spectacular scenery is ours to explore. **Dinner** with a view is included to end our day together.

9 // Jasper, AB Today we will venture out for a **guided tour** of the mesmerizing beauty of the expansive Columbia Icefields in **Jasper National Park**. Then warm up and stay the night in the beautiful mountain resort town of Jasper.

10 // Kamloops, BC **Cruise the glacial waters of Maligne Lake** on a 90-minute cruise. Declared the "Best Boat Cruise in Canada" this is an experience like no other. Our panoramic tour takes us across the crystal waters, fed by the glaciers of **Jasper National Park**. Glide past the jagged mountain peaks as we cruise to **Spirit Island**, a destination only accessible by boat. Experience the Rockies from a fascinating perspective as the snowy peaks of the Monashee and Cariboo Mountains surround us with extraordinary scenery as we cross into

British Columbia.

11 // Vancouver, BC Travel above the roaring force of water rushing through Fraser Canyon aboard the **Hell's Gate Airtram**.
