1 // Branson, MO Is there anything better than a girls' getaway? Shopping, shows, food, shopping, friends, fun, and did we mention shopping? Join us as we gather up the girls for a few days in Branson. This afternoon we will start with some time for **shopping** and a nice **dinner** before heading off to watch a **tribute show for Neil Diamond**. Learn about Neil's life through his own songs as he progressed from being a stand-up comedian to one of the best-selling musicians of all time.

2 // Branson, MO This morning we are going to admire the beauty of the Ozarks from the comfort of a tram ride through the **Dogwood Canyons Nature Park**. **Lunch** will follow, followed by

some more **free time** for shopping or just watching Branson come alive for the summer. Tonight's show is a sure-fire treat. **The Haygoods** have it all; dazzling entertainers, mesmerizing performances, and the incredible music brought to life before you on stage.

3 // Home As we head home today, we've got one more stop to make at the **Precious Moments Chapel and Gardens**. Admire the buildings and paintings that have touched so many people's hearts through the years. As we resume our journey, you will have much to take back with you from this brief trip; the treasures you have found, the new friends made, and new memories to reflect on down the road.
