**1 // Fairbanks, AK** The adventure begins with a flight to Fairbanks, Alaska.

**2 // Fairbanks, AK** Board the **Riverboat Discovery** for a cruise into the heart of Alaska. Learn about the rich native heritage at an unforgettable stop at the **Chena Indian Village**. After lunch, bundle up for a visit to the **Ice Museum** which showcases the unique talents of ice sculptures, as we watch them transform blocks of ice into intricate pieces of art. Enjoy an authentic Alaskan **dinner** with the group.

**3 // Denali National Park, AK** Strike it rich in the gold fields of Alaska on a tour at the **Gold Dredge**. You will be guided through the entire dredge as

you see, touch and learn about the history that it contains and the dredge's importance to the development of Fairbanks. Our adventure leads us to **Denali National Park** on a beautiful route winding along the Tanana River. Check in to a lodge on the outskirts of the park for the first of a two-night stay. This evening, dinner is served with a side of laughter at **Denali's Cabin Nite Dinner Theatre**.

**4 // Denali National Park, AK** Experience spectacular Alaskan beauty and adventure as we visit **Denali National Park** on a narrated half-day trip. A box **lunch** is included as we capture a grand view of North America's tallest peak, unspoiled landscape and wildlife. A scenic stretch of snow-capped mountains and verdant green valleys give us plenty of photo opportunities, and our relaxed pace leaves time to breathe in that crisp, clean air. Tonight, gather for a delicious group **dinner**.

**5 // Anchorage, AK** On our way to Anchorage, we'll stop to explore the charming pioneer town of **Talkeetna** where the historic downtown features art galleries, boutiques and true Alaska charm. As the state's largest city, Anchorage encompasses natural wonders and metropolitan appeal.

**6 // Anchorage, AK** Hop on board a narrated **trolley tour of downtown Anchorage**. Learn about the history, culture and modern life as we pass by significant sites. Stop by the **Ulu Factory** to learn about the traditional knife adapted from ancient Eskimo craftsmen and one of Alaska's most noteworthy items. Feast on a hearty **lunch** before learning about Alaska native culture and traditions with a visit to **Alaska Native Heritage Center**.

**7 // Seward, AK** All aboard the iconic **Alaska Railroad** for an early morning departure. The popular Coastal Classic route winds along Turnagain Arm and through the backcountry wilderness of the Kenai Peninsula. Spectacular views of massive glaciers and towering waterfalls can be captured from our seats in the glass-dome rail cars. A full **breakfast** is served onboard the train. Upon reaching Seward, the train comes to a halt on the shores of **Resurrection Bay**. Seward is known as "Mile 0" on the Iditarod Trail, and this afternoon we'll visit a local homestead and **sled dog kennel** to learn more about the most demanding race on earth and cuddle some adorable pups.

**8 // Seward, AK** Embark on a **Kenai Fjord National Park Cruise**. Glide past seals, whales and puffins as we explore coastal rainforests,

tidewater glaciers and remote Alaskan islands. Your captain narrates the trip, so we will fully appreciate the beauty of the Kenai Fjords and the sea-life that abounds. **Lunch** is served onboard.
