1 // Branson, MO 'Give a man a fish, feed him for a day. Teach a man to fish and he'll be gone for days at a time!' Let's go fishing! But before we cast a line, we will begin our time in Branson at the **Veterans Memorial Museum**. With over 2,000 exhibits covering the various wars and military life, there is something interesting for everyone to discover. **Dinner** is next on our agenda, followed by the **Pierce Arrow Country**

show. This phenomenal male vocalist group covers the gamut, from older classics to today's favorites and is sure to keep your hands clapping and your toes tapping.

2 // Branson, MO We will need to get up early today for the highlight of our trip – **trout fishing on Lake Taneycomo**. We will board several small fishing boats with experienced local guides to help us in searching for our catch. There will be down time to rest today before our afternoon's outing at the **Branson Auto & Farm Museum**. See the classic cars, trucks, tractors, and covered wagons at this tribute to history's modes of

transportation. This evening we will have some **free time** at Branson Landing to explore the shops on our own, including the **Branson Bass Pro Shop**.

3 // Home It's our last day, but we're not done yet. We'll check out a local **fish hatchery** where they raise rainbow trout and other species of fish for release into Missouri waters. As we resume our journey, we can use the time on our comfortable coach to catch up on sleep or just enjoy the scenery as we head home, with visions of 'the one that got away' dancing through our heads.
