1 // Fairbanks, AK Embark on a fantastic land and cruise vacation to Alaska. Our adventure begins with a flight to Fairbanks.

2 // Denali National Park, AK Experience an iconic piece of Alaskan culture with a visit to an Alaskan Dog Sledding homestead. Hear stories about the 4-time Iditarod champion racing team and cuddle some adorable pups. Our adventure leads us to **Denali National Park** on a beautiful route winding along the Tanana River, as we travel through charming towns that reached their heyday during the gold rush. Spend one night at a lodge located on the outskirts of Denali National Park. Indulge in a delicious dinner tonight.

3 // Anchorage, AK Experience spectacular scenery as we travel into Denali National Park on a narrated half-day tour. Capture a grand view of North America's tallest peak, unspoiled landscape and wildlife. A breathtaking stretch of snow-capped mountains and verdant green valley give us plenty of photo opportunities, and a relaxed pace leaves time to breathe in that crisp, clean air. A box lunch is included. Drive to Anchorage for the first of a two-night stay.

4 // Anchorage, AK Hop on board a narrated trolley tour of downtown Anchorage this morning. Learn about the history, culture and modern life as we pass by significant sites. Then, we'll visit The ULU Factory. This unique knife, leftover from the ancient Eskimo culture, is one of Alaska's most noteworthy items. After gathering for a group lunch, gain an appreciation for the fascinating local culture with a visit to the Alaska Native Heritage Center. Discover how people survived the harsh climate with ingenuity and cooperation for over one-thousand years.

5 // Set Sail Travel one of the most scenic drives in the country along Turnagain Arm. Dall sheep graze on the cliffs to the left as beluga whales surface on the cool water to the right, and the mountains of the Kenai Peninsula are looming in the distance. Take an aerial tram to the top of Mt. Alyeska and enjoy lunch with a view. This afternoon, board Royal Caribbean's Radiance of the Seas cruise ship, and for the next seven nights, delicious dining options, and world-class entertainment are included onboard.

6 // Hubbard Glacier Cruise past Hubbard Glacier this morning and notice the deep blue color of the glacier face. Unlike nearly every tidewater glacier on the continent, Hubbard is advancing, not retreating; it's forever pushing a little further into the bay.
