1 // Branson, MO "Grandchildren are like a fountain of youth, they just fill you up with energy and joy." This trip is your chance to spend some time with your 'fountain of youth' and make some memories to last a lifetime. Today we will head to **Branson** for a few days of fun and laughter. This afternoon we can take up the putters for some **mini-golf**, followed by a nice **dinner**. You will have plenty of time to relax and maybe enjoy the hotel **pool** this evening.

2 // Branson, MO Join experienced fishermen on their boats for some morning **trout fishing**. The guides will be there to help, whether you are a pro or have never fished before. A popular show with the kids, the **Buckets & Boards Comedy**

Percussion Show is sure to garner some laughs this afternoon. We'll finish our day off with **dinner** and **ice cream** tonight.

3 // Branson, MO Once Upon a Fairytale is a hit with all ages as they sing some of your favorite storybook songs from Disney, Broadway, and the movies. **Lunch** will be on the menu before heading up to the **Top of the Rock** for a golf-cart tour of the grounds. Tonight, experience a show that will mesmerize and amaze with the talented **illusionist Rick Thomas**. Did he really cut the woman in half? And how did a helicopter end up on stage? All this and more will keep you guessing as these talented performers share this magical evening with us.

4 // Home It's time to head back home, but not before one more awe-inspiring stop. The **Fantastic Caverns** is an underground riding tour through unusual cave formations, and learning about them will spark the imagination of what else lies beneath our feet. This Branson trip will be one for the books, where you'll go up to the top, under the ground, and everywhere in between. Spend the bus ride back home recounting your favorite moments with your grandkids and the miles will fly by.
