

CANADA & NEW ENGLAND CRUISE

OCTOBER 11-19, 2025

Experience New England's quintessential charm, autumn foliage and historic lighthouses sailing along the Atlantic coastline to Canada. Visit six iconic ports during a seven-night cruise aboard Norwegian Cruise Line's *Getaway*.

1 // New York City, NY This autumn adventure begins with flight to **New York City**. Check in to your hotel located in the heart of Times Square for an overnight stay before our cruise vacation begins.

2 // Set Sail Travel by private transfer to the Manhattan Cruise Port. Leave the bright city lights behind as we set sail this afternoon onboard the **Norwegian *Getaway***. Enjoy the freedom and flexibility of Freestyle Dining with NCL, which means no fixed dining times or pre-assigned seating. You can follow your mood, not a schedule.

3 // Newport, RI During the 19th century, Newport served as the summer playground for the rich and famous. Residents displayed their fabulous wealth in the form of palatial estates overlooking the Atlantic. Today, these extraordinary and meticulously maintained homes line the city's famed "Mansion Row" and are a must-see for any visitor.

4 // Boston, MA Known for its rich history and vibrant culture, Boston offers an unforgettable experience. You can explore world-class museums, savor incredible seafood, and enjoy scenic views of the harbor.

5 // Bar Harbor, ME This coastal port city has retained much of its charm since its glory days of the 1900s, when America's elite vacationed here in opulent summer cottages. Surrounding the rock-bound harbor is the world-famous Acadia National Park where the opulence of

nature is on display. Browse Bar Harbor's many boutique shops, hike to a scenic overlook or savor a classic New England lobster bake.

6 // Halifax, Nova Scotia Admire the rugged coastline that surrounds Halifax, the world's second-largest natural harbor and Nova Scotia's beautifully preserved capital. Take steps through history and climb to The Citadel to witness the Old Town Clock. Or enjoy a narrated excursion through scenic Halifax, along a coastal highway to the picturesque fishing village of Peggy's Cove.

7 // Saint John, New Brunswick In Canada's oldest city, Saint John, you can soak in the best view of the cityscape at Signal Hill National Historic Site, or take to the sea on a whale watching excursion. Saint John has passed the tests of salt air, sea winds and a devastating fire that have all contributed to making Saint John the greatest little city in the east. Discover the phenomenon of the reversing tides as the high tides of the Bay of Fundy collide with the Saint John River.

8 // At Sea Explore the onboard activities and world-class entertainment during our final day at sea. Splash around at the Aqua Park, visit the multi-level sports complex or relax at the spa.

9 // Home Arrive in the Port of Manhattan this morning. Board a flight home after an extraordinary cruise vacation highlighting Canada and New England's beauty.
