Day 1 // O'Fallon, IL Today we begin the journey east towards our first stop in Collinsville, Illinois.

Day 2 // Findlay, OH The adventure continues as we move on towards Ohio. We'll stop for a group **lunch** in Indianapolis before an out-of-this-world stop at the **Armstrong Air & Space Museum** in Ohio. The museum is designed to resemble a futuristic moon base and was created to honor and share the story of Neil Armstrong and the other Ohioans who have participated in the past, present, and future of space exploration.

Day 3 // Niagara Falls, ON Today we'll finish our drive day to Ontario and along the way we'll cruise the "Motor City" on a **Detroit City Tour**. Then we're in for a special treat with a viewing of the majestic **Niagara Falls at night!**

Day 4 // Niagara Falls, ON Today is all about the Falls! Begin the day with a **step-on guided tour of the Ontario side of the Falls**. Next, go **Behind the Falls**, into the heart of Niagara. You'll first need to descend 125 feet and explore 130-year-old tunnels through the bedrock. The observation deck at the foot of this 13-story-tall wonder will leave you breathless (and maybe a little bit wet), as you experience one-fifth of the world's fresh water crashing down in front of you. Then we'll take a short **Voyage to the Falls boat tour**, sailing from Niagara Falls, Canada. Enjoy stunning views of the Niagara Gorge, American Falls, and Bridal Veil Falls, and come face-to-face with the famous Canadian Horseshoe Falls. Feel the thundering roar, awesome power, and amazing mist (a protective souvenir recyclable mist poncho is provided) that comes along with these natural wonders. Tonight we'll enjoy a delicious **dinner** with a birds-eye view from 775 ft. above Niagara Falls in the revolving dining room of **Skylon Tower**.

Day 5 // Lockport, NY This morning we'll enjoy a tour of **Niagara Power Vista** where we'll learn, through the exhibits and impressive views, about the incredible hydro-power made possible by the combination of engineering and the sheer power of the waterways. Then we'll

step back in time to an era when great empires struggled for control of North America. On our tour of **Old Fort Niagara**, you'll visit original 18th century buildings, enjoy incredible views and take part in exciting living history programs. Then tonight, we'll board a ship for **dinner and a cruise at Lockport Locks & Erie Canal**. The relaxing and informative ride along the 19th century engineering marvel that opened up the American Frontier is sure to fascinate!

Day 6 // Orange Village, OH The **Buffalo and Erie County Naval & Military Park** is the largest inland Naval Park in the country. Located on Buffalo's Waterfront, we'll tour this unique destination that features four decommissioned Naval vessels that served in a variety of military conflicts in our nation's history. We'll stop for some shopping at the **Made in America store** before we begin our trek back towards home.

Day 7 // Indianapolis, IN The adventure isn't over yet. We'll stop and explore the gardens and art collections at the **Franklin Park Conservatory & Botanical Gardens**. We'll also enjoy **dinner and a show** at the energetic and exciting **"Beef and Boards."**

Day 8 // St. Louis, MO Today, our drive day will carry us back towards home. We have big things in store along the way... literally! You'll
