

BRANSON FALL

One of the prettiest times of the year to be in the mountains, the Ozarks should be in full fall attire towards the end of October. Three shows, a Pink Jeep tour, and beautiful scenic sights will be the highlights of this tour.

1 // Branson, MO The beauty of Fall is on display as the weather cools down, the leaves change colors, and there is a sense of anticipation for all the good things this short season brings. One of those things this year is our trip to Branson! Tonight we will have a great dinner before settling into our seats for **"David" at the Sight and Sound Theatre**. From a poor shepherd boy to a powerful king, David is the story of one man's challenging journey to follow God despite threats on his life and the struggles within his own heart.

2 // Branson, MO This morning we begin with a guided tour of the outskirts of Branson aboard the **Pink Jeep Tours**. Marvel at the natural and man-made wonders as we wind through the Ozarks, ending with a drive through an old rock quarry. This afternoon we will see one of the

largest performing family groups, **The Duttons**. With a wide variety of talents performed by their large cast, there is something for everyone to enjoy. Singing, dancing, jokes, and more will make this one a show to remember. Tonight **SIX's dinner and show** will be on the menu for today. A powerhouse of vocal performers, this acapella group of brothers will amaze you with what they can do with just their voices as they perform a wide genre of music styles.

3 // Home On the way home we are going to stop at the **Neosho Fish Hatchery**, the oldest continuously-operational federal fish hatchery still in operation. After our guided tour we will resume our journey home, admiring the fall colors from the comfort of our Village motorcoach.
