**1 // Overland Park, KS** Our short Kansas adventure will begin today with a visit to the **First Presbyterian Church of Topeka**. The most dazzling feature of this building is the gorgeous **Tiffany stained-glass windows** that adorn the features and halls of the facility. We'll take a tour to see them all and let the colors and inspiring story wash over us! Then we'll check into our hotel and get ready to head back out for a side-splitting show, **"Alone Together"** at the beautiful **New Theatre**. "Alone Together" is a hilarious comedy about the parents of three adult sons who just sent their youngest off to college. They are finally enjoying their new time alone together when, one by one, each son begins returning home!

**2 // Home** Today may be our final day, but the fun is far from over! Start the day with a short drive to the **Amelia Earhart Hangar Museum**. The centerpiece of the museum is Muriel — the world's last remaining Lockheed Electra 10-E aircraft — identical to the plane Amelia piloted on her fateful round-the-world flight. Next is **lunch** and then a visit to **Amelia Earhart Birthplace Museum**. Then last on the agenda, we will stop at **Grandma Hoerner's**. Her family's farm included an apple orchard and Mabel became known as a talented cook. Her applesauce, made with thick slices of fresh apples, was a frequently requested treat from family & friends. We'll get a view of the factory line to see where they're canning all their

goodies! Maybe you'll even find a tasty treat to bring home or a gift for someone special!
