

AMISH COUNTRY BACK ROADS

APRIL 14-19, 2026

Springtime highlights all the natural beauty of the back roads of Amish Country. Learn what makes Amish Country so special on a journey that honors a simpler way of life, and includes plenty of modern-day fun as well.

1 // St. Louis, MO Capture a glimpse of the Amish way-of-life as we begin our journey through America's heartland to scenic **Amish Country**.

2 // Champaign, IL Our route winds through beautiful countryside before crossing the mighty Mississippi. Honor the life and legacy of America's 16th president with a visit to the **Abraham Lincoln Presidential Library**. Visitors are awed by rare artifacts and inspiring exhibits highlighting Lincoln's political career and private life. Grab some **lunch** as a group and then we dive even further into the legacy of "Honest Abe" with a visit to the **Lincoln Home**. This was Lincoln's first and only home and it still stands today with much of the original structure, walls, and foundations remaining. We'll step inside to get a glimpse of the presidents journey from young lawyer to leader of the United States!

3 // Shipshewana, IN During afternoon **free time**, explore the numerous shops featuring hand-crafted Amish items. You'll find everything from hand-crafted decor to one-of-a-kind antiques while shopping in Shipshewana. Later, we'll indulge in an authentic Amish **dinner** at the **Blue Gate Theatre**. The show tonight is a performance of **"A Simple Sanctuary"**. Based on the best-selling books by Beverly Lewis. It has a blend of humor, heart, and harmonies that make for an uplifting and entertaining evening at the theatre.

4 // Shipshewana, IN Travel off the beaten path, to an area traveled by buggies more than cars during an **Amish Countryside Tour**. This day will be jam-packed with fun as we visit a **windchime maker**, a **rug weaver**, get some tasty popcorn from **Yoder Popcorn**, and visit **Long Lane Furniture** to see the showroom of hand-crafted pieces. Enjoy an **Amish Homestyle Lunch**, then in the afternoon we'll visit a **leather shop**, do some shopping at the

Dutch Country Market, and **Shipshewana Harness & Supplies**. Some activities may be subject to change based on time & availability.

5 // St. Louis, MO Say farewell to Amish Country today and begin our journey home. First we'll make a stop at a **Tiny Town with BIG Things!** Check out the small town charm of Casey, Illinois; home to the world's largest collection of big things, with eight Guinness-certified titles for the largest objects. See the world's largest wind chime, rocking chair, mailbox, pitchfork, pencil, golf tee, wooden shoes, giant knitting needles & crochet hook, and much more.
