1 // Branson, MO Yeehaw! We are off to Branson for our annual spring trip. We will start off with a bang...or two...of an exciting dinner show at the **Dolly Parton's Stampede**. World-class performances and a four-course feast await us tonight.

2 // Branson, MO A Branson favorite, the **Top of the Rock** will allow you to admire the buds of spring at your own speed as you travel through a cave and over a waterfall on one of their

comfortable golf carts. This afternoon we will step back in time for the **#1 Hits of the 60's**. This high-energy, colorful show is full of the songs you know and love. After **dinner** tonight, we have one last production to see. The **Haygoods** family have spent almost their entire lives on stage, meaning that they know how to put on a good show! The lights, the music, the costumes, and the tap dancing will put a smile on your face all night long as they share their love of music with you.

3 // Home The **College of the Ozarks** has a beautiful campus, and this morning a student will board our bus and give us a **guided tour**. Their unique college setup means much of the campus is run by the students in exchange for their room and board. A group **lunch** in Joplin will give us one more chance to connect with our fellow travelers before we head home and split ways, with another great tour for our memories, and some new friends we might travel with in the future.
