

# BRANSON DAVID & MORE

Our Branson adventure contains a show with David at the Sight & Sound Theatre, Branson Auto & Farm Museum, the amazing Clay Cooper Country Express, and more.

**1 // Branson, MO** We will begin our time in Branson with **dinner** at a unique restaurant before settling into our seats to see **David** at the **Sight and Sound Theater**. From a poor shepherd boy to a powerful king, David is the story of one man's challenging journey to follow God, despite on-going wars with other nations, and the struggles within his own heart.

**2 // Branson, MO** We start our day at the **Branson Auto & Farm Museum**. Travel down memory lane and see if you can spot the model of your very first car among the vast inventory they have in stock. From here, we head to another mode of transportation, where we will have lunch aboard the **Showboat Branson Belle**. Enjoy a great meal and a variety show while cruising on a portion of the **Table Rock Lake**. We finish off our day at the **Clay Cooper Country Express show**. Over 20 incredible performers will entertain you this evening as they sing and dance to a variety of music that you know and love... don't let the name fool you, it is NOT all country music, but all of it IS terrific.

**3 // HOME** We start the morning off with a visit to the **Aquarium at the Boardwalk**. Admire the colorful fish, bulky sea turtles, elegant sea horses, and mesmerizing jellyfish that call this place home. Touch a stingray or shark and browse the gift shop for souvenirs to take back home. If you don't find something at the Aquarium that suits your fancy, maybe the **Pecan shop** will be able to help. Jellies, jams, pies, honey, and of course pecans, will all be there to pursue this afternoon, the perfect memento of our tour as we finish our journey home.
