1 // Branson, MO "Deck the halls with boughs of holly..." Branson excels at Christmas! The decorations, the lights, the food, the people, and the music are all on full display to delight all the senses. Tonight we will have a group dinner before heading off to see the highlight of this trip - **Sight and Sound Theater's Miracle of Christmas**. This dazzling production will astound you with the massive stage, incredible actors, and powerful performance as they bring the biblical Christmas story to life.

2 // Branson, MO This morning begins with another Christmas performance. One of the largest Christmas productions in Branson, **Christmas Wonderland** features energetic dance routines, beautiful costuming, and mesmerizing scenery along with the amazing

vocals of this talented cast. We will stop at The **Butterfly Palace** after a quick lunch break so these little creatures can bring a touch of spring to our winter tour. An early **dinner** aboard the **Showboat Branson Belle** is up next on the docket, where you can enjoy their variety show while cruising on **Table Rock Lake**. We will finish off our evening with a **driving tour** to see some Christmas Lights displays

3 // Home We head home today, but have planned a couple of **shopping stops** on the way so you can pick up some Christmas gifts for those you love back home (and if you happen to find something up for yourself as well, we won't tell). It's been a busy few days, but we will return home full of Christmas Spirit and ready for the festive season.
