**1 // Branson, MO** Welcome to Branson! We will end our 2026 and begin our 2027 in the 'Live Entertainment Capital of the World! A delicious **dinner** awaits us before our evening performance at **The Hughes Brothers**. This large family group is multi-generational; grandchildren of the original brothers perform alongside their seasoned parents and grandparents. The group has been performing in Branson for over 30 years! You will be welcomed as one of the family while they entertain you with their talented cast of singers, dancers, and comedians.

**2 // Branson, MO** We begin our day by stepping back in time at the **Titanic Museum**. Explore the relics and stories of this famous vessel and her occupants the night she went down, and come away with a greater appreciation for the

heroes who stepped up when tragedy struck. After **lunch**, we will see the **Baldknobbers Show**. As the music show that started Branson's entertainment industry, they have spent the last 65 years performing for people in the Ozarks. Their specialty is the country and bluegrass music the group started with, but they play a variety of musical styles. Add in a splash of comedy and you've got a fabulous show that will keep your toes tapping all the way through. Tonight is the big event...the **ClayGoods Jambor-Eve!** Two of the top shows in Branson team up tonight to give you a NYE to remember. Complete with hors d'oeuvres and party favors, the music, lights, costumes, dancing, and more are all carefully choreographed to make it an energetic and engaging show right up until

midnight when the balloons drop throughout the theater.

**3 // Home** Relax in comfort and style on the journey home after a sensational and unforgettable New Year's Celebration.
