1 // Branson, MO Experience fall and the beginning of Christmas all in one tour on this short three-day trip. Tonight, we will arrive in Branson for a great **dinner** before our show, **the Grand Country Jubilee!** Country, gospel, rock & roll, and more will serenade you from the stage, and the entertaining family comedy routines sprinkled throughout the performance will help you understand why they have consistently won awards such as 'Branson's Best Variety Show', 'Comedian of the Year', and many more.

2 // Branson, MO This morning, we will begin our day by getting outside on **the Dogwood Canyon Nature Park wildlife tram tour.** This leisurely open-air ride will take you through several acres of some of the beautiful Ozark

scenery. Keep your eyes out for the rare white buffalo in their herd of bison – his name is Takoda. Following **lunch** this afternoon, **The Petersens** offers a unique bluegrass family show. Settle into their 'living room' as this intimate theater makes you feel like you're one of the neighbors just stopping in for a spell. We will wind up our day at the **Haygoods**, Branson's most popular show. Incredible music, dancing, and special effects make this show a Branson favorite as these 5 brothers and their sister give you a high-energy performance that will keep your toes tapping all night long.

3 // Home There will be plenty of time to rest today in our coach's comfortable seats while the driver does all the work. A shopping stop at a

pecan shop will let you stretch your legs and purchase a few munchies for your journey home as you begin to contemplate the upcoming festive season in your homes, and maybe plan out your next Village Travel tour.
