Journey to the other side of the world on an unforgettable adventure through New Zealand and Australia. From glacier-carved fjords and alpine lakes to vibrant cities, ancient cultures, and the wonders of the Great Barrier Reef, this immersive tour blends breathtaking scenery with once-in-a-lifetime experiences. Discover iconic landmarks, extraordinary wildlife, and warm hospitality across two of the Southern Hemisphere's most spectacular destinations.

**1 & 2 // Overnight Flight** An adventure of a lifetime awaits as you board your flight to New Zealand. We'll cross the International Date Line and skip a day ahead.

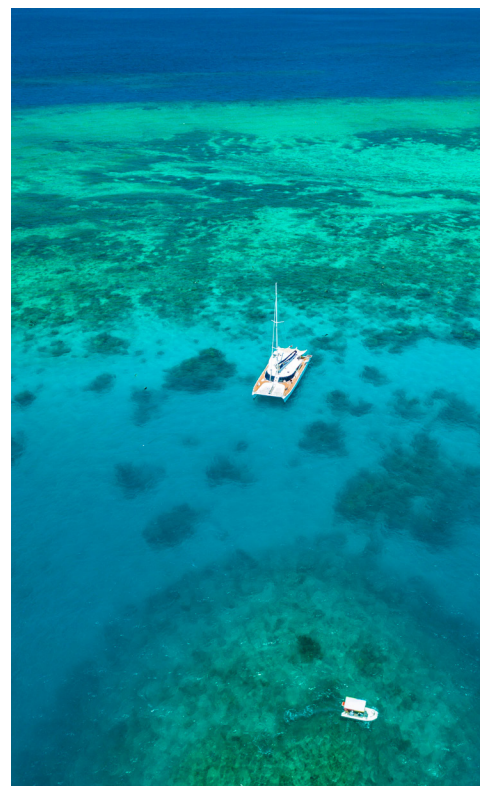

**3 // Christchurch, NZ** Welcome to Christchurch, romantically known as New Zealand's Garden City. Set against the majestic backdrops of the Southern Alps and Pacific Ocean, Christchurch is an ever-changing city buzzing with creativity and flair. Settle into your hotel and get to know your fellow travelers over a delicious welcome dinner.

**4 // Christchurch, NZ** We'll begin the day punting on the Avon and experience a unique view of the city. Glide along the tranquil Avon River as a skilled punter in traditional Edwardian attire propels the vessel slowly along the water. Visit Willowbank Wildlife Reserve to learn about the conservation efforts dedicated to preserving the country's native wildlife, culture and nature. Look out for New Zealand's Big 5: the Kiwi, the Kea, the Tuatara, the Kaka and the

Takahe. In February 2011, a major earthquake destroyed large parts of Christchurch including the city's historic Neo-Gothic cathedral. This afternoon, we will visit the Cardboard Cathedral which was built as a replacement.

**5 // Queenstown, NZ** Depart Christchurch and travel south toward Queenstown, an idyllic resort town considered as one of the world's top adventure destinations. Along the way, we'll stop at Lake Tekapo, a breathtaking destination with turquoise waters and majestic mountain scenery. Ascend on the Skyline Gondola high over Queenstown for a delightful dinner and stunning views over Lake Wakatipu and the surrounding mountains.

**6 // Queenstown, NZ** Embark on a picturesque cruise across the lake to Walter Peak High Country Farm. Settled by Europeans in the 1860s, the historic homestead offers a stunning lakeside setting and fun activities. Enjoy a gourmet buffet lunch, watch the skillful farm dogs in action with a sheep-herding

demonstration, and meet the other farm animals before the return cruise. You'll have some free time this afternoon to explore Queenstown.

**7 // Queenstown, NZ** Depart on a scenic cruise to Milford Sound, New Zealand's most well-known tourist destination. Home particularly unusual wildlife including fur seals and crested penguins, as well as bottlenose and dusky dolphins, this geographical gem is a must-see for nature lovers. Sheer rocky cliffs rise vertically out of the calm dark waters while the exquisite Bowen Falls plunge down a 520-foot drop before crashing dramatically into the fjord below. A picnic lunch is served onboard.

**8 // Queenstown, NZ** A free day in Queenstown offers time to explore and enjoy

the region on your own. Perhaps you'll choose to experience one of the adrenaline-boosting activities in the area, explore the local gardens, or spend the day wandering the village and soaking in the scenery.

**9 // Cairns, AU** Say farewell to New Zealand and fly to Cairns, Australia's tropical gateway to one of the world's most spectacular natural attractions, the Great Barrier Reef. Check into your hotel, conveniently located downtown.

**10 // Cairns, AU** Embark on an exciting excursion to the Great Barrier Reef, a haven for thousands of species of sea life, turtles and birds. Set sail aboard the beautiful catamaran Ocean Spirit to experience Michaelmas Cay's unique reef environment. Enjoy some of the optional activities or relax onboard the boat's spacious decks. The "beach buggy shuttle" will transfer you between Ocean Spirit and the beach throughout the day. Spend approximately 4 hours at the reef, lunch is served on board.

Visit the Rainforestation Nature Park for a guided tour aboard an amphibious WWII Army Duck vehicle. Discover the world's oldest surviving culture with the Pamagirri Aboriginal Experience. Watch a traditional dance performance, spear presentation and be blown away by the didgeridoo. Board the

famous Kuranda Scenic Railway and journey past spectacular waterfalls and weave through the lush green rainforest. Gather for dinner at a local restaurant.
